

“My plan is to have a theatre in some small town or something...”

QUENTIN TARANTINO

I hope you had the opportunity to see our latest production “Tales from the Lock-up”, which was on at the Western Bay Museum in October, and thoroughly enjoyed by appreciative audiences. It was good to see so many of our members involved!

Katikati Theatre has provided a letter of support to a newly formed Arts Collective, which is submitting an Expression of Interest to Western Bay Council, to use the existing library building as an Arts Centre. It is envisaged that there will be display space and workshop areas, and the main library part a multi purpose space which could be used for performances, film or special displays.

This is an exciting development which could mean a more permanent performance space for us!

Katikati’s annual Christmas Parade is on Saturday afternoon, December 2nd, and the theatre group, in conjunction with Wizard’s Wardrobe, plan to enter a float in the parade. We need members to be dressed as theatrical characters (the costumes will be provided) to be on or walk beside the float. Please phone Julie Thomas on 549 0985 if you are able to participate. We need you!!

Social Event: Katikati Theatre is holding a Christmas Barbeque on December 3rd from 4pm, at the Katikati Croquet Club, Wharawhara Road. Bring Your Own meat, drink, plus a salad or sweet to share. Coffee or tea will be provided and the croquet club has plates and utensils. Everyone is invited to share an item of entertainment, Christmas or otherwise.

Please come and enjoy the fun!

Dates to remember:
