‘I think there is no world without theatre’

Edward Bond

Welcome to our new season.

We had a very successful AGM at the end of April, welcoming three new members to the society. Sadly we had to say good bye to three committee members, Hilary Jacobs, who has served for several years and Heather Young, a brilliant secretary, who has kept me on the straight and narrow. Also last month we said goodbye to Alistair Boot who has moved to South Island. One of our founder members, he has worked tirelessly for the theatre in many ways. He has been our lighting guru, our photographer and looked after our web site and will be hard to replace. But we now four new committee members to replace them, including one of the brand new members of the society.

Last March we held three very successful workshops and which also gained us three new members. Plans are well under way for this year’s Dinner Theatre at the Forta Leza which will take place 28<sup>th</sup> – 30<sup>th</sup> June and 5<sup>th</sup> – 7<sup>th</sup> July. We are proposing two slightly longer plays than previous years and auditions are being held in the next few days. Di More is directing one and another experienced new comer to Katikati, Eyrl Raymond is joining us to direct the other. We also plan to do another full length play during the school holidays in October. This will be the last posting on our current website as a brand new one is almost up and running, so watch please this space!
