

“I think the theatre is as essential to civilization as safe, pure water.”

Another very successful six nights of Dinner Theatre has been achieved with thanks to Haydn and Mary and their staff at Forta Leza for coping with all the disruption! There were quite few disappointed folks who were not able to get tickets so we are looking at the possibility of adding an extra night if we have another season next year.

Last Curtain Call I said we were planning another play during the school holidays in October but we have decided against this as there will not be enough time for us to prepare for a full length production to the standard we try to achieve.

So this is our plan:

A miscellany of Christmas items blended into a 'Pudding' of good things to celebrate the Christmas season. We would like to invite others from the community to bring along their special ingredients to put into the mixture. Music, song, dance, stories, poems and drama - anything connected with Christmas. Therefore, if you think you or someone you know could make a contribution, we would like to hear from you.

This community celebration is planned for the end of November or beginning of December and we are having a get together on Sunday August 14th at 2.30 at the Christian Centre to start collecting the ingredients. If you are interested do please come along and join us.

Also if you would like more information, please phone Julie Thomas (07 5490985) Cherie Baunton (07 549 1897) or Elisabeth Beamish (07 5493343)

In our last Curtain Call I said we are getting a new web site. Well I can now say that it is live on the web, with many thanks to Murray Grainger from Omokoroa for all his work in setting it up for us. It is still at the same address, <http://katikatitheatre.org.nz> and a new, slightly shorter, address <http://katikatitheatre.nz>
