

“I believe the way to write a good play is to convince yourself that it is easy to do - then go ahead and do it with ease”

TENNESSEE WILLIAMS

The exciting news for the start of this year is that Katikati Theatre will soon have a home! Western Bay Council have approved the concept to have the existing library building as an Arts and Information Centre to be administered by Katch Katikati. There is much planning to be done with input from us and other Arts groups. Watch this space! We also welcome ideas for a name for the building!
