

“From the start it has been the theatre's business to entertain people...it needs no other passport than fun.”

BERTOLT BRECHT

The quote above will ring true for those of you who were able to attend a performance of "A Walk in the Woods" recently, which was our first production in the Junction Theatre and played to appreciative audiences who said they loved it! The cast and crew had a lot of fun creating the colourful fairy tale characters under Eryl's imaginative direction. Well done all!

The Junction Theatre: The book area in the old library building has been transformed into an exciting space for performance. After a lot of work by several of our members we now have staging units, and have installed lighting, sound equipment, and curtaining to make a theatre for community use. Katikati Theatre would like to do at least two productions a year, and have more regular club meetings (perhaps 4-6 per year) to use this wonderful facility.

Help Wanted: Please email me or another committee member with:

- a) what sort of plays, or specific ones, that you would like to see produced
- b) ideas for club meetings - readings? workshops?
- c) would you like to run one of these meetings offering your expertise in a certain area
- d) where can we use your particular talents

Theatre Barbecue: Your committee looks forward to seeing you at a social get together in the New Year.
